

PUSIS
BODY PEELING MACHINE

BPM-2021

The future of bathrooms

PUSIS, a company specializing in bathroom appliances

A woman with long dark hair, wearing a peach-colored top and a matching headband with bunny ears, is lying in bed with her arms raised, stretching. She is smiling and looking towards the camera. The room is bright and airy, with a window with white blinds in the background. A wooden lamp with a white shade stands to the right of the bed. The overall mood is fresh and rejuvenating.

Healing

Peeling is healing

Body peeling machine gives
you a happy morning.

Just for Your Family. Hygienic and Refreshing

This is a scrubbing machine for your family.
It is hygienic and refreshing without concerns
of sharing it with others.

Powerful Motor for Scrubbing and Massaging

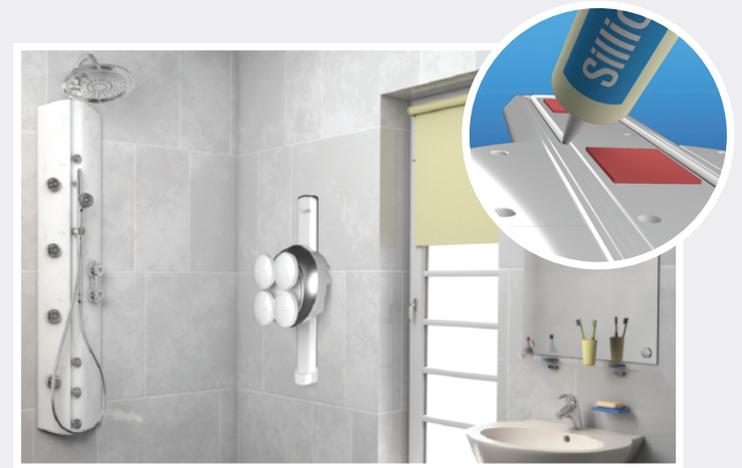

The motor is strong enough for scrubbing the body and in case of its malfunction, it stops automatically for safe use.

Easy and Convenient Installation & Removal within 5 Minutes

Without a need for an engineer or special tools, anybody can install it easily and conveniently by using the enclosed double-sided tape and silicon.

PUSIS

IP66 rating, Water-Resistant

It has passed IP66 water and dust resistant test, so it is safe and secure from high water pressure in all directions.

No Electric Cord, No Electrical Injuries

It is a wireless product using a lithium-ion battery without direct use of electricity, so there is no danger of electrical injuries even in a humid bathroom.

Safe and Effective Battery Pack Technology

- ① QC3.0 Quick charger
- ② C-type charger
- ③ Large capacity battery
- ④ Double protection circuit
- ⑤ Discharge prevention
- ⑥ Overcharge prevention

One time charge for 2 months use.
Large-capacity lithium-ion battery
3,000mAh

PUSIS Body Peeling Machine

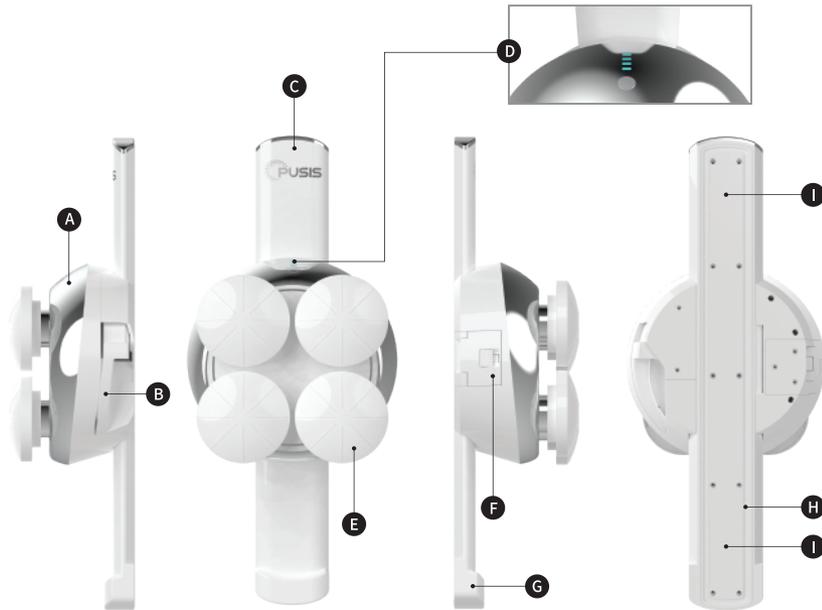

Product Specifications

Name	Body peeling machine
Adapter input voltage	AC 100V~220V/50-60Hz
Adapter output voltage	5V/3A, 9V/2A, 12V/1.5A
Battery specifications	12V / 3000mA
Charging time	1 hour and 50 min
Size	230 x 550 x 180(mm)
Weight	2.8kg
Motor power	12V/ 2A/ 12.5(W)
Country of manufacture	South Korea
Manufacturer	PUSIS INC.

PUSIS Body Peeling Machine

Main Parts and Features

- A Body :** Product's body
- B Adjustable height handle :** Adjusts height and fix by a clamp
- C Guide bar :** Sticks the body on the bathroom wall and adjust the height
- D Power LED :** Indicates power and battery level
- E Drive wheel :** A wheel attached on its body to scrub by spinning with the covered towel
- F Battery gate :** A place for the battery pack
- G Stopper :** A stopper protruded front/back to hold the body (Fall prevention)
- H Silicone hole :** where the silicone is added
- I Double-sided tape hole :** where the double-sided tape is placed
